About us:-

Andhra Mahila Sabha owes its origin to the dedicated efforts and dynamic Leadership of Padma Vibhushan Dr.(Smt).Durgabai Deshmukh, the Founder President. AMS is the first voluntary organization in India that pioneered the cause of women and their empowerment. The College of Education was started with the motto of developing the capacities of women teachers in the year 1971 and has been elevated to the status of College of Teacher Education in the year 1997. The College has been conferred the status of autonomy in the year 2007. Since then the college has been conducting Inservice training programmes for Teachers and Teacher Educators. Currently the College offers four different teacher training programmes under autonomous fold- B.Ed, M.Ed, B.Ed. Spl. Edn(H.I) & PG.Dip. in Early Childhood Education. As an autonomous college it has the privilege to run add-on certificate courses.The college presently offers- Proficiency in English,Human Rights Education and Early Childhood Care and Education courses.

About the Seminar:

The topic on “**Women Empowerment in 21st Century**” is a burning issue all over the world. “Women Empowerment “and ‘Women equality with men” is a universal issue. It is a creation of an environment for women where they can make decisions of their own for their personal benefit as well as for the society. Today’s statistics say that women population constitutes around 50% of the world population. A large number of women around the world are unemployed. The world economy suffers a lot because of the unequal opportunity for women at work place. The fact is that, empowerment of women leads to more economic benefits not only to the individuals but to the society as well.

Though there are policy initiatives and implementation strategies adopted for the cause,yet there is a need for expansion,upgradation and strengthening of existing avenues.In the light of present circumstances, College of Teacher Education Andhra Mahila Sabha proposes to organize a two day state level seminar on “Women Empowerment in 21st Century “.

Objectives:

- To emphasize the need and importance of women empowerment in 21st century.
- To identify the emerging trends and challenges in women empowerment and suggest remedial measures.
- To learn and share the Role of Education in women Empowerment.
- To disseminate knowledge about social legislation and Government Policies for empowerment of women.
- To understand and suggest measures to prevent violence against women.
- To examine the role of various civic societies and NGO’s working in the field of women empowerment.
- To develop better understanding about health and Nutritional status of women in the state.
- To Study the contribution of Women Entrepreneurs for the economic growth .
